

EAG Terms of Reference.

The RJC Expert Advisory Group will provide advice to the RJC on:

- RJC professional standards, policy development and related activity.
- Development and maintenance of the RJC competency framework for practitioners.
- Development and maintenance of the Codes of Practice and Restorative Service Standards.
- Development and maintenance of relevant guidance on RJC standards.
- Development of quality assurance (QA) systems, QA reports and relevant recommendations.
- Activities to promote standards and good practice guidance amongst members and the wider restorative practice field.
