Free IOS MOD (Hacks version)

Updated! Travel Town Cheats free energy links 2024 + 5000 diamonds Free IOS MOD (Hacks version) tested method. Once you click the camp button, the heroes will set up a tent near them and begin patrolling the area, searching for places to kill monsters and collect resources. This also allows for a significant increase in the spawning rate of anything near the campsite. You can also open the camp menu and select this option to upgrade your camp to a premium camp. Advanced campsites will make resource collection more efficient and will also allow your hero to respawn faster when dropped in mid harvest. However, according to the game rules, if all your heroes die, the camp will immediately disband. If that's the case, you will be sent back to the kingdom. Stopping your camp will immediately provide you with the resources collected by the entire party. travel town free energy 2024 travel town unlimited energy and gems travel town free diamonds travel town free energy link iphone
